

Sun Life is making claims submission even easier!

Now members can submit their wellness / cancer screening benefit claims online. They can use a desktop, tablet or mobile device, whichever they prefer. No more mailing in claims forms or finding a fax machine. With our new technology, we receive the claims right away, which means faster claims payments and happier members.

The process is simple. A member just visits their Sun Life account and clicks the 'Submit a claim' button to get started. After that, they answer a few questions about who the claim is for and what screening they had. That's it. They hit submit and their claim is off to our team for review and payment.
