52.020 - FEES

A. All users shall be subject to the following fees and charges:

1. The wastewater discharge permit application fee shall be \$200 for a class A permit, \$100 for a class B permit and \$100 for a soil/groundwater remediation permit.
2. The annual fee for a class A wastewater discharge permit shall be \$1,000.
3. The annual fee for a class B wastewater discharge permit shall be \$400.
4. The fee paid by each industrial user when an accidental discharge or slug load occurs shall be up to \$1,000. The fee shall reimburse the WRA for any costs incurred as a result of the discharge.
5. The fee for sampling a user's discharge shall be \$50 per day when using a 24-hour automatic sampler. The fee for subsequent consecutive days and for collecting grab samples shall be \$25 per day. When a sampling event must be rescheduled due to failure of the user's sampling equipment or due to a sampler seal (used to detect sample tampering) being broken, a trip charge of \$25 and a rescheduling fee of \$50 shall be assessed. The trip charge fee may be waived if the user informs the WRA of sampling equipment failure prior to 8:00 a.m. of a scheduled sampling day.

7. Fees for analysis performed by laboratories other than the WRA laboratory shall be the full cost of each analysis.
 8. Fees for annual or biannual inspections of permitted users shall be \$100 for those holding a class A permit and \$50 for those holding a class B permit.
 9. Fees for copying and mailing documents shall be \$1 for the initial page and \$0.25 for each additional page plus postage. No charges shall be assessed for requests for copies received from individuals or agencies served by the WRA, provided the number of pages requested does not exceed ten.
 10. Fees for past due reminders sent each 30 days that a balance remains unpaid shall be \$5.
 11. Prohibitive waste charges for each pollutant discharged in excess of permit or ordinance limits shall be \$25 per day for class B permit holders and \$50 per day for class A permit holders. High strength charges shall double if discharges are slug loads. Payment of fees does not preclude other enforcement action and may not be paid in lieu of compliance with discharge limitations.
 12. Fees for inspection of a food service establishment grease trap or interceptor shall be \$50 per visit.
- B. All users contributing wastewater in excess of the following concentrations shall be assessed a surcharge, which shall be in addition to the rates and charges ordinarily billed to those users for sewer use.

Pollutant	Surcharge (per pound)
BOD or CBOD in excess of 200 mg/l	\$0.11
Oil and Grease in excess of 100 mg/l	\$0.06
Suspended Solids in excess of 250 mg/l	\$0.16
TKN in excess of 30 mg/l	\$0.61

Chemical oxygen demand (COD) in excess of 300 mg/l may be used at the discretion of the WRA Director in lieu of CBOD. In this case the excess COD concentration shall be multiplied by the known CBOD/COD ratio or by a ratio of two-thirds to establish an equivalent CBOD concentration.

Discharges of Fat, Oil and Grease;
and Hauled Waste

Ammonia nitrogen (NH₃-N) in excess of 15 mg/l may be used at the discretion of the WRA Director in lieu of TKN by multiplying the excess NH₃-N concentration times two to establish an equivalent TKN concentration.

- C. The establishment and imposition of new or different fees or charges, in addition or in substitution for those provided above in this section, shall be by ordinance amending this chapter. The amounts of the fees and charges established in this section shall be and remain in effect until a time as the WRA Board shall by resolution revise the fee amounts. The revised fees and charges shall take effect after the Board causes the resolution to be sent to this City Council and thereafter causes same to be published in a newspaper of general circulation in each county in which participating communities are located.

52.043 – REVOCATION OF DISCHARGE PERMIT; TERMINATION OF SEWER SERVICES

Upon receipt of the certification of costs, the WRA Director shall forward to the user whose service was disconnected by registered mail return receipt requested, certified mail or personal service a bill for the cost of making the disconnection, including all costs for labor and materials, and a service charge of \$100 for WRA supervision.
